VERIFICATION OF POST-SECONDARY VISIT

Stephenson High School allows students to visit universities, technical colleges, and do job shadows so each can be informed about opportunities that exist outside of school. Students should have contacted the college or business prior to visiting.

Please verify that the student indicated visited with you today.

Student name _____

Name of post-secondary institution/business _____

Date of visit _____

Signature of representative _____

Position of representative/phone number _____

(or business card)

Your support today has made a difference in this students' decision making process. Thank you for that!

Contact me with questions at any time.

Sincerely,
